Together We're Better

How does it work?

Buy gift cards and earn rebates from each purchase for Zion and your family.

Once you earn \$100 in rebates for Zion, any further rebate earnings are split between you and Zion 50/50.

Fill out the form and turn it in to your child's teacher.

The cards will be sent home that day as long as they are in stock.

The cards listed on the front of this sheet are usually in stock.

If you submit an order for cards that are not in stock, they will be delivered to you as soon as possible.

Larger denominations are still available but are not kept in stock.

Any cards on the **www.shopwithscrip.com** website or the Raise Right app can be ordered.

How can I get gift cards for immediate use?

You can set up a PrestoPay account at **www.shopwithscrip.com**

It takes a few days to get the account set up. **If you have the funds taken directly**

from your checking account, you can have immediate access to the cards.

If you choose to pay by check you will have to wait for the cards to be released.

There are hundreds of cards available. Check out the website and learn more about PrestoPay, special rebates that are only available when you purchase online and all the stores that participate.
